

Join out of body traveler/afterlife explorer, Rick Lipani, as he gives you a peak inside the spirit realms. Revealing information in this DVD that has been suppressed from mankind since the beginning of creation. Hear the music, and see the 3d animation, that was influenced by Rick's spirit friends. As he creates sights and sounds that he has witnessed in his out of body explorations of our true Home...Paradise... **The Afterlife in the astral worlds.**

This DVD program will take you to places of beauty and wonder, that you will not see anywhere on EARTH! These sites and sounds will flow over you, like a wave of truth, as you lose conscious awareness of this physical world, and you are transported by peaceful music and images, of the place we will all, eventually transition to.
